

Underwoods Service Plan

**Worry Free
Motoring
from only
£9.95 per
month**

Organise your servicing with affordable monthly direct debits - just like any other essential cost?

The Underwoods Service Plan has been designed to offer you worry free motoring. Just estimate your annual mileage, tell us the number of years needed and from as little as £9.95 per month, you will no longer have any scheduled servicing bills to pay.

Pay by monthly direct debit just like you probably already do with your household bills. Alternatively you can pay the full amount, or if you are buying a car from us, add the cost to the vehicle price.

The Underwoods Service Plan covers all routine maintenance as described in your vehicle's handbook, with the added peace of mind that your car is being looked after by trained technicians using only genuine parts ... not to mention the benefits of joining.

Contact our Service Department on 01206 844423 for full details.
